Hi Jim-

Just checking in regarding the [REDACTED] case scheduled for next Tuesday (2/21/2012). Is it still on? (I know you mentioned that some cases got bumped due to a murder trial.) Also, my Superior Court case in Springfield that was going into the trial pool on 2/21 has been continued until April, so that won't be a problem. I still haven't heard back from the District Court ADA, so I think she is waiting to know what is going on with your case first.

You also mentioned having me on call, which is fine, but please let me know as soon as you whether your case is going or not so I can let the other ADA know, and to give me some time to change and get down to Fall River. Thanks.

In looking at the court web site, we are the first case out 2-21-12.

I will confirm next week . . . many cases got bumped because of the three week murder trial

Good Morning, Jim-

Just curious if you found where on the pecking order the [REDACTED] case is as I was informed yesterday that I also have a Superior Court case in Springfield going into the trial pool on 2/21 as well. Highly unlikely that it will actually go that day, but I want to give the ADA some idea of what my availability may be. Thanks.

Down here, there is a final hearing 2 weeks before the trial date, to see what the pecking order will be.

So it is a fluid date

Thanks, Jim

My cell is [REDACTED]

I have no problem being on call for this case. I also have a Springfield District scheduled for 2-21-2012, and I'll inform the ADA about your case and that it, as a Superior Court case, has priority.

This case is on the 2-21-2012 trial list, [REDACTED]

May we ask that you be available, on call as normal

Formal summons will issue as we get closer to the trial date, once date is confirmed

thanks
